Have you ever tried Anderson Valley?
Cool climate & small producers.
It may be to Riesling in the US as the
Willamette Valley is to Pinot Noir.

A floral nose of honeysuckle, Asian pear
and orange zest. White peach and honey-
dew notes finish crisp and clean with hints
of crème brulee. This completely dry

Riesling was crafted by
STEVE RYAN, formerly
with MARTINELLI in
CA, currently producing
Oregon's acclaimed
LE CADEAU VINEYARD
CÔTE EST PINOT NOIR.
