Tasting notes: The "Two Years" within Joleté Deux Années were drastically different, yet stunningly harmonious vintages in the Willamette Valley. This classic Pinot welcomes you with a warm, full nose of ripe Bing cherries and cardamom spice while its elegant palate offers pronounced notes of loganberry and red plum. Hints of acai and a touch of vanilla accompany the soft tannins of the French oak finish. This is a classic Burgundian-styled Pinot, created by the marriage of two very distinct and complimentary Oregon vintages.

About the winemaker: Jim Sanders focuses on small production, hand crafted wines. He ages Joleté for 11 months in top-tier French oak, primarily from the François Frères and Mercurey cooperages. Jim is the wine-maker for Aubichon Cellars and select cuvees in the Willamette Valley, including the highly rated Le Cadeau "Équinoxe."
